

TWO WARSHIPS EN ROUTE TO MEXICAN COAST

Sent From San Diego on Request for Protection at Two Pacific Ports.

SONORA FORCES PUSH ON TO MAZATLAN

Ships Ordered to Mexico Under Instructions to Investigate Situation.

WASHINGTON, April 23.—Two warships from the Pacific coast fleet were en route tonight to Mexican waters to protect American citizens and interests at Mazatlan and Topolobampo. They were dispatched from San Diego today on orders from the navy department after a request for protection had come from state department representatives at those two Mexican Pacific ports.

A similar request came from the government agent at Frontera on the Gulf coast, but was not acted upon pending further investigation of the situation there. The cruiser Sacramento is at Tampico only a short distance away.

The exact situation at Mazatlan and Topolobampo was not known here. There had been no report of disturbance at either place and latest advice said a federal force of 250 men and two cannon had arrived at Mazatlan.

Sonora state forces, in rebellion against the Carranza government, are known to be pushing on towards Mazatlan, the most important Mexican gateway on the Pacific. This force is now well south of Topolobampo, but whether a detachment had been deployed to make an assault there was not clear.

At the navy department it was said

REBELS ISSUE PROCLAMATION TO MEXICANS

Formal Declaration of Aims of Revolution Set Forth in Full.

NEW PROVISIONAL GOVERNMENT SET UP

Plan of Agua Prieta Declares For Effective Suffrage and No Re-election.

AGUA PRIETA, Sonora, April 23.—(By The Associated Press.)—Sonora revolutionists have formally declared for the overthrow of President Carranza.

A proclamation was issued today by leading revolutionists of the state under the title of the "Plan of Agua Prieta" setting forth the aims of the revolution in full. The proclamation sets up a new provisional government in Mexico with Governor de la Huerta as supreme commander. De la Huerta is to act until governors of states joining the Sonora cause meet and nominate a supreme commander of their own choice.

A provisional president for Mexico is to be appointed "as soon as the present plan has been accepted by the liberal constitutional army."

The revolutionary soldiers are to be known as the "liberal constitutional army." The liberal constitutionalist party was the one espousing the cause of General Alvaro Obregon for the presidency of Mexico.

Chief interest to foreigners is found in the last article of the plan which said:

"The supreme commander of the liberal constitutional army and all civil and military authorities who support this movement, will afford all legal protection and enforcement of their legal rights to all citizens and foreigners, and especially favor the development of all industries, commerce and business in general."

The "plan of Agua Prieta" declares for effective suffrage and no re-election.

STIFF SENTENCE IS IMPOSED ON FORMER PREMIER

Three Years Imprisonment, Five Years Enforced Residence, Loss of Rights.

DOCUMENT IS READ TO CAILLAUX IN HOSPITAL

Prisoner May Be Released to Hear Condemnation Verdict Before Senate.

PARIS, April 23.—(By The Associated Press.)—Joseph Caillaux, former premier of France, tonight in the Senilly hospital listened to the reading of the sentence of the senate which, sitting as a high court of justice, yesterday convicted him of "commerce and correspondence with the enemy." Three years' imprisonment, five years' enforced residence in a town to be selected by the minister of the interior, and a ten years' loss of political rights, the latter clause carrying with it inability to vote or hold office, was the sentence imposed.

Document Read to Caillaux.

The document was read by a court officer sent to the hospital for the purpose, after it had been promulgated before the senate tonight by Leon Bourgeois, the presiding officer. Caillaux was not present in the senate chamber at the time.

The prisoner made no comment after the official made known the contents of the document, but his face showed signs of deep sadness. Asked by the newspaper men present whether he desired to make a statement, Caillaux replied:

"I shall be at your disposal tomorrow or the next day when I am released."

Freedom Requires Intricate Figuring.

The question when Caillaux is to be freed requires intricate figuring to decide, for allowance has to be made for the time he has been under restraint in prison and at the hospital. The prisoner was in jail for twenty-seven months and this time, added to the period he has been in the hospital, according to his partisans, constitutes the service of the full term of imprisonment imposed by the senate.

The decision not to bring Caillaux before the senate tonight provoked rumors that he would be released during the night.

M. Moutet, of counsel for Caillaux, said the prisoner was willing to appear before the senate to hear the verdict of condemnation. At the morning session Caillaux had listened to the court pronounce the verdict of guilty of violating article 75 of the military code, and declared in reply to the usual question that he had nothing to say.

Court in Secret Session.

After the morning session, the court went into secret session to frame the sentence to be imposed on Caillaux. It reconvened tonight at 9 o'clock. It had been expected that a stormy session would ensue but a violent protest by Senator Brivet who was quickly calmed, proved to be the only incident. The neighborhood of the senate was extremely quiet during the night.

When the sentence had been read by and left the chamber.

MEN REFUSE TO END STRIKE AT MASS MEETING

Adjourn in 45 Minutes With No Progress Made Toward Settlement.

CHICAGO, April 23.—Several thousand striking railroad workers at a mass meeting today refused to take action to end the unauthorized walk-out, now in its fourth week in the Chicago terminal district.

The meeting called by John Grunau, president of the outlaw Chicago Yardmen's association, and Harold Reading, head of the United Enginemen's association, "to clear up the entire situation," adjourned forty-five minutes after being convened with no progress made toward settling the difficulties.

Representatives of the railroad general managers' association and of the government were asked to attend, but ignored the invitation, the general managers announcing that they would enter into negotiations with the insurgents.

Grunau Greeted With Applause.

Grunau who was released from jail at Joliet, last Wednesday, was greeted with a roar of applause as he stepped on the platform. An American flag was produced and draped around his neck. He left it there as he spoke. "I called this meeting to help straighten out this tangle," Grunau said. "We would not be good citizens if we refused to take every step possible to end the strike."

"I am a loyal American citizen and so are all of you loyal American citizens. We have not violated the law, we do not want to violate the law, and we will not violate the law. We have conducted this strike in an orderly manner and we will permit of no violence of any kind."

Men Decide Strike.

"It is up to you men to decide when this strike is to end. You are the only ones who can decide that question."

SEN. HITCHCOCK WITHDRAWS AS SENATE LEADER

Selection of Underwood of Alabama at Democratic Conference Assured.

ACTION WILL CONDUCE TO PARTY HARMONY

Withdrawal Breaks Deadlock Which Has Existed in Party Since Jan. 15th.

WASHINGTON, April 23.—Senator H. H. H. Hitchcock of Nebraska withdrew tonight from the race for Democratic leadership of the senate, thus virtually assuring the selection of Senator Underwood of Alabama at the Democratic conference called for Tuesday night.

Senator Hitchcock's announcement was made in a letter to Senate Democrats. He said his withdrawal from the fight would end the Democratic leadership and would end with his individual plans, which would not permit him during the remainder of the year to undertake the work of minority leader which devolved upon him with the retirement from the senate of the late Senator Martin of Virginia.

Withdrawal Breaks Deadlock.

The withdrawal of the Nebraska senator breaks the deadlock which developed at the party conference January 15, when the first effort was made to select a successor to Senator Martin.

"I now desire to terminate this deadlock," wrote Senator Hitchcock, "and hereby withdraw my name from the contest. This will conduce to Democratic harmony and will accord with my individual plans which will not permit me, during the remainder of the year, to undertake such continuous service in the senate as I have had during the past twelve months."

The year during which I have acted as Democratic leader has been one of responsibility and difficulty, but one of pleasure also, because of the consideration shown me by party colleagues, whether they agreed with me or not.

Senator Thanks Colleagues.

"I desire particularly to thank those who have supported me in this contest and to say to all that I shall be glad, in resuming my position as vice chairman, to co-operate as heretofore with the chosen leader."

Senator Hitchcock's friends explained the presidential campaign would take the senator away from Washington at frequent intervals and that aside from this he would make frequent visits to his summer home in Massachusetts and, consequently, would not desire the responsibility of minority leadership.

Senator Hitchcock has been the Democratic leader throughout the long peace treaty fight and it was explicitly stated at the White House and by Senator Underwood that irrespective of the outcome of the election for leadership he would continue as the administration spokesman should the treaty fight be renewed.

SHIPS TAKE ON STORES.

SAN DIEGO, Calif., April 23.—To safeguard American residents and property in Sonora and Sinaloa, Mexico, the United States scout cruisers Salem and destroyer McCawley will sail for Mexican waters early tomorrow, according to announcement made here today. The Salem is to go to Mazatlan and the McCawley to Topolobampo.

Both vessels took on large quantities of stores today.

Denied by the roads and our salary demands are granted we will go back to work at once," he said.

"Will our seniority rights be guaranteed if we return?" one striker asked.

Motion to Adjourn.

Grunau said he could not answer. A motion then was made to adjourn "because the general managers show no disposition to grant our demands."

The railroad men said they had no confidence in the Chicago district which were 84 per cent of normal.

Any Wheel Which Does Not Pull Equally With the Others Acts as a Brake

Look again at the drawing! You see four factors necessary in keeping the Big Wheel of continuous telephone service revolving at the proper speed. This Big Wheel must turn smoothly to grind out its daily grist of 30,000,000 calls over 11,795,747 telephones, of which 7,000,000 are Bell-owned.

Industrial progress depends more each day on the telephone to destroy space, save time and increase the efficiency of every worker in every field.

Therefore, the responsibility of each smaller wheel within the Big Wheel increases daily.

It is the duty of the public to pay an adequate rate for adequate service, and to protect the employees supplying the service.

It is the duty of the employees to provide sufficient satisfactory service to the end that the public will pay rates necessary to support the business.

It is the duty of the owners to provide efficient management to operate the property honestly and fairly. The management must co-ordinate the whole effort and conduct the business to the end that:

- the public receives sufficient, continuous and efficient service.
- the employees receive fair wages and protection against a sudden shutting down of the industry. Their positions must be secure through lean and fat years.
- the owners who buy shares of stock receive a fair wage for their savings invested in the business. A stockholder provides money to expand the business which grows daily; he must receive a fair rate of interest on his money invested.

Therefore, the management represents the employees in dealing with the owners and the public. The management must co-ordinate the effort of each smaller wheel to the end that the Wheel of Continuous Service revolves every hour of every day, every year, at the speed necessary to protect industrial progress.

W. J. BRYAN TO BE IN CONTROL OF DELEGATION

OMAHA, Neb., April 23.—W. J. Bryan will control the Nebraska delegation to the Democratic national convention, returns from 1,467 precincts out of 1,819 precincts compiled by the newspapers, indicated here tonight. Those figures give Bryan eight delegates and Hitchcock four. Previous returns showed an even split.

Bryan's own position in the contest for delegate at large was not so secure as it appeared yesterday. He dropped from first to second place in the vote outside Douglas county and was leading Berge (B) by 1,136 votes for fourth place. Among the counties to be heard from is Greeley, reported to be a Hitchcock stronghold.

The apparent change in the complexion of the delegation is brought about in the third district where Little (H) has 4,658 votes against Sidner (B) with 4,899 and only one county to be heard from in the sixth where Harrington (H) is 709 votes be-

CLEVELAND, O., April 23.—Five hundred striking members of the Cleveland Yardmen's association at a meeting here this afternoon voted to go to jail in preference to returning to work. Frank J. O'Rourke, president of the association, had notified the town that department of justice agents had notified him that unless the strikers returned to work by tomorrow morning the leaders would be arrested.

Be a Good Neighbor Paint that House

A "CLEAN-UP" without a "paint up" is useless and absurd. Not only because houses that are unpainted eye-sore appear uglier and more conspicuous after a "clean up"—but because the painted surface, inside and outside can be kept clean, sanitary and germ proof.

Painting is economy—the better the paint and its application, and the more promptly it is used on paint-needy places, the greater the economy.

The ravages of the elements—by sun and snow and rain and sleet—are certain, unless your buildings are kept protected by proper paint coatings.

Our Paint Department is completely equipped, with a full line of reliable Paints, Varnishes, Enamels, Stains, etc. Also brushes, and other accessories—and all reasonably priced.
